Case No. 5:19-cr-30

**ORDER**

This matter having been presented to the Court by the Government, and the Court having considered the motion, the Court finds that sealing is necessary to protect the integrity of an ongoing investigation. The Court finds that, at this time, those interests substantially outweigh the public interest in right of access. Accordingly it is hereby

ORDERED, that the Motion to Seal Document, and the Affidavit filed in support of the Application for Search Warrant are hereby sealed until further order of the Court. When sealing is no longer necessary to ensure the investigation's integrity, the government shall move to unseal the Motion to Seal Document, and the Affidavit filed in support of the Application for Search Warrant.

Dated at Burlington, in the District of Vermont, this 9th day of July, 2019.

  
JOHN M. CONROY  
United States Magistrate Judge
